

Dear All,

You are aware that **Srei Foundation** has been working tirelessly in its pursuit towards creating value and developing building blocks for the nation with the belief of service to Humanity, inspiring and collaborating with different segments of the society for carrying out socially beneficial activities. The single-minded objective of the Foundation is to work selflessly with devotion while having self-development and skill for self-sustenance for peace and welfare of humanity by impacting the body, mind and soul.

The Foundation continues to function through the promotion of education (academic, technical, skill development and moral), health, housing, socio-economic support, environment sustainability, empowerment of women, drinking water, sanitation & hygiene and by providing holistic supports to its social partners in their respective fields. The Foundation has extended support to the underprivileged, marginalized and below poverty line segment by providing food, shelter, clothing and financial assistance and works tirelessly for a cleaner & greener earth fulfilling the high-level sustainable development goals (SDGs) set by the General Assembly of United Nations to create a better world.

It is my privilege to inform that Srei Foundation has been granted Special Consultative Status by the United Nation's Economic and Social Council (ECOSOC) on 23rd July 2019.

This is of course a great honour and recognition for our endeavor to Serve Humanity.

We look forward to your valuable & continuous support along with your family and friends.

**With Best Regards,
In the service of Humanity
With faith in self, all & God,**
